Prominent Doctors Use and Prescribe

the great tonic stimulant and body builder which aids digestion, enables one to get all the nourishment from the food eaten, quickens circulation and promotes longevity.

The statements following are a few of the many thousands received from leading Doctors in all parts of the country extolling the virtues of Duffy's Pure Malt Whiskey:

A Very Valuable Medicine.

"Duffy's Pure Malt Whiskey is a very important and valuable medicine. In cases of faulty metabolism—that is, a change in the condition of the cells, constructive and destructive—of the intestinal canal, a loss of the vital forces and impairment of the digestive function—I have met with the most brilliant success and satisfactory results with the administration of the 'Duffy Remedy.' Andrew Jas. Park, M.D., 520 East 50th St., Chicago, Ill.

"I Use It Myself"

"Duffy's Pure Malt Whiskey is well known to me, and often prescribed by me. In fact, I use it myself and in my family, as occasion needs."—Dr. D. T. McPhail, 616 Madison Ave., New York City.

In Pneumonia and Typhoid.

"In pneumonia and typhoid fever, when the heart begins to show the strain to which it is submitted, Duffy's Pure Malt Whiskey gives the most satisfactory results; debilitated conditions, convalescence—in fact, wherever tonic stimulation is called for, this medicinal whiskey is attended with best results."—A. P. Dellett, M.D., 462 East 188th St., New York City.

Duffy's Pure Malt Whiskey

STANDARD OF PURITY AND EXCELLENCE SINCE 1860
has always been and is now a wholesome, healthful medicinal whiskey, produced without regard to expense in compliance with the requirements of the Foods and Drugs Act, the doctors' "Materia Medica" and the "Pharmacopoeia," the two recognized authorities of drugs and medicines in the United States. It is an absolutely pure distillation of clean selected grain, thoroughly malted. Its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach. Its gentle and invigorating properties influence for good every important organ in the body. It makes the old feel young and keeps the young strong and vigorous.

Grafton Defeated.

The Clarksburg duck pin team rallied after its defeat of Wednesday night by the Fairmont team and got revenge on the Grafton team last night by giving it a trouncing in one of the hottest games ever played on the local alleys.

The locals won the first game by twenty-four pins by totaling 528. The second game went to Grafton by seventeen pins when it rolled 567. This gave the local team a lead of seven pins going into the last game. In this game both teams fought hard until the end and for a time it looked like the Grafton team would win, but by a whirlwind finish in the last four frames the locals snowed the Grafton boys under, totaling 602, beating them fifty pins in the last game.

Bert Gain, who made such a poor showing the night before against Fairmont, was in good shape last night and rolled a remarkable game, totaling 367. Captain Dresbach also rolled a fine game. Scores:
